L'Isle Jourdain, the 12th December 2017

Dear Sir,

Following your request and after reviewing the information provided, please find enclosed the conclusions related to Inputs Documentary Review of your products as suitable for organic farming according to EC 834/2007.

You will find all your allowed products on our web site www.inputs.bio until the **12TH December 2018**.

Your personal page is:

http://ap.ecocert.com/intrants/fournisseur.php?liste=international&recherche_produit=&id=1313&recherche_categorie=0&recherche_statut=1,0,0,0,0

You may mention on your labels and invoices that your products are suitable in organic farming according to the corresponding Regulation.

Restriction of use in organic production can be mentioned on the conclusions files. If a sentence of compliance under Organic regulation is mentioned on your commercial documents, the restriction must be noted after this sentence.

Warning: according to the contract for input verification, no Ecocert reference is allowed to be used neither on the labels nor on any communication document.

We are at your disposal for any further information,

Best regards,

Arnaud FABRE
Inputs Service Manager
